

Our 2026 Lent challenge: to repair our porch

As we journey through the holy season of Lent, we are invited to reflect, to pray, and to respond to God's love in practical and generous ways. We have an opportunity for us, together, to make a lasting difference to our church and to all who cross its threshold. It is about more than a building project; it is about welcome, belonging, and the visible expression of our faith in action.

The porch of St John's is the first space that greets worshippers, visitors, and those seeking comfort or curiosity. It quietly speaks of who we are. With care and prayer, we now have the chance to restore it so that it reflects the warmth, hospitality, and openness that lie at the heart of our community.

You are warmly encouraged to prayerfully consider your response, and, if you are able, to play your part in this shared act of generosity and renewal.

I pledge to give (please tick):

£50, which could help us with cost of the repainting

£100, which could help us with the cost of replastering

£500, which would help us with the cost of lasting repair

Another amount (please state here) _____

giftaid it Gift Aid declaration: I am a UK taxpayer and would like St John's Church, Harpenden to reclaim the tax on all donations I have made in the last four years and for all future gifts of money that I make to be Gift Aid donations. *Delete if not applicable*
