Lent 2022 at St John’s Harpenden

The season of Lent is a time to deepen our relationship with God through prayer, reflection and study as we prepare for Holy Week and our annual remembering of the suffering, crucifixion and resurrection of Jesus Christ. Read why this is such an important time for Christians and what’s happening at St John’s

An offer of spiritual support

Many of us are conscious of our physical health. After a health checkup at the GP or a fitness test at the gym we usually come away reassured and with some sensible advice about what we can do to improve our health and fitness. Alongside a programme of discussion and worship during this season of Lent, we want to extend a special opportunity for every adult at St John’s to have a 45-minute conversation with a member of the ministry team. A spiritual checkup, if you will. We really recommend this to you. As people of faith, our spiritual health and wellbeing is something we should also take seriously, but often we don’t have a chance to think about our faith and prayer life or talk it through with someone.

We’d like to offer you the chance to do just that, with a relaxed and confidential one-on-one conversation for every adult who wants it. This is an opportunity for you to talk about whatever aspect of faith you’d like to discuss, in total confidence. It’s a wonderful way to be encouraged, listened to, and supported in your relationship with God, and without any judgement or sense of being tested in some way.

Please get in touch with the parish office by phone (01582 712776) or email (parish.office@stjohnsharpenden.org.uk) as soon as possible so we can arrange a session.

Spiritual wellbeing: body, mind and soul

In addition to a spiritual checkup, there will be several other ways to deepen your faith during Lent.

The theme for this year’s program is spiritual wellbeing: body, mind and

Thoughts for the day

As well as the sessions listed here, if you have access to the internet, we encourage you to sign up for a “thought for the day” called #LiveLent – offered through the Church of England – which encourages you to deepen your faith and relationship with God this Lent. soul. We're going to be exploring how we might grow as followers of Christ in various ways, such as seeking Christ in prayer and in scripture; encountering Christ in nature; and by joyfully sharing this through the way we live in the world. We're delighted to be sharing in this journey with Southdown Methodists.

On the following pages we have suggestions to help you make the most of the coming six weeks. But they're only suggestions to consider alongside your own commitments and spiritual needs. With activities across various days and times, we hope you'll be able to come along to something. Whatever you decide to give up or take up, and however you choose to observe the season of Lent, we hope it will be a time of encouragement and blessing and brings you nearer to God.
